1. Would you please prepare for the Director's signature a reply to the attached request from McGeorge Bundy for a status report on security/counterintelligence recommendations made by the President's Foreign Intelligence Advisory Board. The request technically calls for four different replies: two joint reports, one from Mr. McCone in his capacity as DCI, and one from Mr. McCone as Chairman of USIB. I believe all of these could be grouped as attachments to a simple covering letter addressed to Mr. Bundy and the Board.

2. Please coordinate as necessary with DD/P components (CI, Cover) interested in individual recommendations such as numbers 11 and 14. You may wish to sidestep Recommendation 16, which seems to be primarily State's business.

3. So that we may meet Mr. Bundy's deadline of 31 July, may we have your reply by 24 July?
